

## **CITIZEN'S POLICE ACADEMY**

The Belvidere Police Department will be holding its annual evening Citizen Police Academy Beginning Wednesday March 3, 2021 and continues through May 5, 2021. The Citizen Police Academy (CPA) is an exclusive opportunity for individuals with professional or personal interest in community policing issues, to acquire knowledge of police issues, practices, and operations in the City of Belvidere. This is a multi-cultural academy; Spanish-speaking instructors are available for the classes. The CPA involves a commitment of one evening per week from 6:00 p.m. to 8:30 p.m. for ten weeks. We look forward to a large class that is eager to learn and motivated to be a bigger part of their community. To reserve your spot contact Community Policing Coordinator Officer Blankenship at 815-547-6312 or by email at [Blankenship@belviderepolice.com](mailto:Blankenship@belviderepolice.com).
